

A low-angle, close-up shot of a person's right leg and foot, wearing a dark running shoe, standing on a rugged, rocky mountain peak. The sun is low on the horizon, creating a bright, golden glow and lens flare effects. The background shows a silhouette of a mountain range under a cloudy sky.

**360° TRAIL  
RUNNING**

A close-up, low-angle shot of a person's leg and foot, wearing a dark sneaker, resting on a rough, textured rock surface. The background is a dramatic sunset or sunrise over a mountain range, with a bright sun partially obscured by clouds, casting a warm, golden glow. In the foreground, there are green, leafy plants. The overall mood is serene and adventurous.
